WHO'S WHO IN THE DOHERTY ORGANIZATION

A

ADAMS, Benjamin Cullen:

Vice-president and general manager, St. Joseph Railway, Light, Heat & Power Co., St. Joseph Mo. b. Madison, Wis., July 1, 1882. ed. Graduate electrical engineer, University of Wis. b. ex. Foreman, Madison Gas & Electric Company, 1904-5; general supt., Lincoln Gas & Electric Co., 1906; general manager same company until 1911; engineer for English interests in Brazil in 1911-12; vice-president and general manager, Montgomery Light & Water Power Company, 1913-16; vice-president and general manager, Empire District Electric Company, 1920. soc. & assn. Member of many clubs, engineering and scientific societies and fraternities; Doherty Men's Fraternity. p. res. St. Joseph, Mo.

ADAMS, Frank H.:

Engineer in charge of construction on irrigation projects of Henry L. Doherty & Company in Colorado. b. March 28, 1886, Lamar, Mo. ed. University of Missouri, B.S. in C.E. b. ex. Assistant engineer with Arnold Company of Chicago, 1909-1910, on Denver Reservoir Irrigation Co. project near Denver; assistant chief engineer Denver Reservoir Irrigation Company, 1910-1912; from 1912 to date with Henry L. Doherty & Company in charge of engineering and construction on irrigation projects in Colorado. soc. Associate member American Society of Civil Engineers; Doherty Men's Fraternity. p. res. Denver, Colo.

ALEXANDER, James C.:

General bookkeeper, Bristol Gas & Electric Company, Bristol, Tenn. b. October 7, 1887, Elizabethton, Tenn. ed. High school and two years Maryville College, Maryville, Tenn. b. ex. Three years assistant postmaster, Elizabethton, Tenn.; three years law clerk and bookkeeper; six years bookkeeper, cashier and credit manager for Chicago packing house in southern cities district; past two years present position. soc. Modern Woodmen of America; Doherty Men's Fraternity. p. res. 510 Anderson Street, Bristol, Tenn.

ANDERSON, Carl:

Local superintendent, Summit County Power Company, Denver, Colo. b. March 9, 1879, Sweden. ed. Elementary; one year at high school; I. C. S. course in steam and electric engineering. soc. Membership in A. F. & A .M.; I. O. O. F. and M. W. of A.; Doherty Men's Fraternity. p. res. Dillon, Colo.

ARMSTRONG, Ernest E.:

General superintendent, City Light & Traction Company, Sedalia, Mo. b. November 5, 1890, Poplar Bluff, Mo. ed. Popiar Bluff schools until 1909; University of Missouri, 1909-1913; Cadet Denver Gas & Electric Light Company, year and nine months; design and construction, Toledo Railways & Light Company, one year; statistical department, 60 Wall Street, year and six months; general superintendent Bartlesville Interurban Railway and Bartlesvile Gas & Oil Company, eight months. w. serv. Enlisted in Engineer Corps, U. S. A., July 1, 1918; commissioned second lieutenant November 1, 1918; general superintendent City Light & Traction Company. soc. Doherty Men's Fraternity. p. res. 1008 So. Ohio Avenue, Sedalia, Mo.

ASTBURY, Louis B.:

Assistant Manager Export Department, Crew Levick Company, Philadelphia. b. Philadelphia, Pa., November 8, 1880. ed. Common school. ex. Have been employed continuously by Crew Levick Company since August 28th, 1895, the first five years in general office work and since in the export department. soc., Doherty Men's Fraternity. p. res., 5006 Marvine Street, Logan, Philadelphia, Pa.

B

BAKER, R. L.:

Engineer for electric operations, Henry L. Doherty & Company, New York City. b. February 6, 1884, Greenwood, N. Y. b. ex. 1900, building construction; 1901, bridge construction, N. Y., Penna. R. R.; 1902, Cornell scholarship; 1906, design department, General Electric Company, Schenectady, N. Y.; 1907, Cornell degree, M.E.; 1907, Junior engineer, Denver, Colo.; 1909, superintendent of lines, Joplin, Mo.; 1910, superintendent of distribution, Empire district; 1912, general engineer, Sedalia; 1913, examiner, new properties; 1915, electrical engineer; 1916, district engineer; 1916, general manager, Mansfield and Ashland; 1917, engineer for electric operations. soc. Doherty Men's Fraternity. p. res. 404 West 116th Street, New York City.

BARKER, John Elliott:

Purchasing agent, The Denver Gas & Electric Light Company, Denver, Colo. b. April 10, 1883, Denver, Colo. ed. Grade and high school. b. ex. Six years in machinists' trade; one year in mechanical drafting; seven years in machinery and supplies; four and one-half years in purchasing department of this company. soc. Doherty Men's Fraternity. p. res. 3810 East 17th Avenue, Denver, Colo.

BARKER, William J.:

Vice-president and general manager, Denver Gas & Electric Light Company, Denver, Colo. b. December 21, 1855, London, England. b. ex. Became connected with this company in 1880, bringing to Denver and installing the electric light plant for the supplying of current for residence, street and commercial lighting, this being the third plant of the kind in the United States; occupied positions of engineer, superintendent, manager, vice-president and general manager. soc. President, Summit County Power Company; president Denver Motor Club; director Hamilton National Bank; director, Denver Gas & Electric Light Company; member Denver Civic & Commercial Association, Denver Manufacturers' Association, Denver Club and Denver

Athletic Club; honorary life member of the Elks Club; trustee of the Shrine, a Knight Templar and 32nd degree Mason; Doherty Men's Fraternity. p. res. Denver, Colo.

BARNES, Albert L.:

Traveling auditor, Henry L. Doherty & Company, New York City. b. June 26, 1878, Canaan, Conn. ed. Canaan High School; Collins Street Classical School, Hartford, Conn.; Worcester Polytechnic Institute, E.E., class of 1900. b. ex. Lime manufacturing company for five years; public accounting, four years; connected with auditing department of Henry L. Doherty & Company, September 16, 1916. soc. Sigma Alpha Epsilon Fraternity; Masonic Order, including Shrine; Doherty Men's Fraternity. p. res. 285 Fiske Avenue, West New Brighton, N. Y.

BARNETT, Gilbert B.:

New Business Department Manager, Bartlesville Gas & Electric Co., Bartlesville, Okla. b., Tolono, Ill., October 16, 1879. ed. high school, ex., started with the Doherty Company in 1905 as new business salesman; transferred to Fremont Gas & Electric Company as sales manager; transferred to Lincoln Gas & Electric Company as power and industrial gas salesman. In 1911 was transferred to the Trumbull Service Co., Warren, O., as manager new business. To Durham, N. C., as new business manager after 3½ years to present position. sce., Doherty Men's Fraternity. p. res., Bartlesville, Okla.

BARTLETT, Lawrence:

Engineer in department of electric operations, Henry L. Doherty & Company. b. October 20, 1885, Birmingham, England. ed. Graduate University of California, 1907, E.E.; entered Denver Cadet School June, 1907. b. ex. General engineering and operation at following Doherty properties: Joplin, Mo.; Montgomery, Ala.; Elyria, Lorain, O.; Denver, Colo.; became connected with New York office March, 1914, department of electric operations: from March, 1914, to date traveling among various electric properties on electrical engineering and construction, present time planning future electric development of the Ohio properties. soc. Doherty Men's Fraternity. temp. res. Mansfield, O.

BATESON, William H.:

Manager, collection department, Denver Gas & Electric Light Company, Denver, Colo. b. August 24, 1876, Barclay, Pa. ed. Public school. b. ex. Coal mines, 1889 to 1891; grocery store, 1891 to 1896; 1896-1904, Buffalo, Rochester & Pittsburgh Coal Company's general store, Elnora, Pa.; 1904-1906, Huribut Grocery Company, Denver, Colo.; 1906 to present time, Denver Gas & Electric Light Company. soc. Doherty Men's Fraternity. p. res. 105 So. Penn, Denver, Colo.

BAXTER, Norman M.:

Superintendent construction, Danbury & Bethel Gas & Electric Light Company, Danbury, Conn. b. June 27, 1883, Halifax, N. S. ed. University of Nebraska, 1905, electrical engineering. b. ex. Was with The Lincoln Gas & Electric Company from July, 1905, to August, 1916; had charge of power plant construction, both gas and electric, to October, 1908; then was superintendent of distribution until leaving Lincoln; have been general superintendent of Lorain County Electric since August, 1916; transferred to Danbury. soc. Doherty Men's Fraternity. p. res. Elyria, O.

BEAM, Ellis H.:

New business manager, The Pueblo Gas & Fuel Company, Pueblo, Colo. b. November 3, 1881, German Valley, N. J. ed. German Valley High School. b. ex. With Knoxville Gas Company, Knoxville, Tenn., as representative, from 1907 to 1916; with Niagara Light, Heat & Power Company, Tonawanda, N. Y., as New Business Manager, June, 1916, to July, 1918; from July, 1918, to present time, at Pueblo, Colo. soc. Member of Pueblo Commerce Club; Pueblo Ad Club; Elks; Doherty Men's Fraternity. p. res. 1106 East 8th Street, Pueblo, Colo.

BEDELL, Roger Sherman:

Superintendent, Pueblo Gas & Fuel Company, Pueblo, Colo. b. January 12, 1885, Sybily, Ill. ed. One year at high school. b. ex. Worked at stoking two years to Sept., 1909; one year on barn job, taking care of horses and hauling coke; stoked till March 1, 1912; was foreman of retort house till April 1, 1915; worked out on a farm till July 6, 1916; was retort house foreman till April, 1919; superintendent up to present time. soc. Doherty Men's Fraternity. p. res. 1106 West 8th Street, Pueblo, Colo. Box 318.

BELLINGER, Arthur:

Retort house foreman, Denver Gas & Electric Light Company, Denver, Colo. b. August 31, 1864, England. ed. Common school, England. b. ex. Came to United States in 1884, going to Cleveland, O., and working in gas plant as stoker; arrived Denver in 1888 and started with Denver company as stoker, then foreman of retort house. soc. Odd Fellows; Doherty Men's Fraternity. p. res. 2027 Clay Street, Denver, Colo.

BETHEA, Robert O.:

Engineer, Hattiesburg Traction Company, Hattiesburg, Miss. b. January 11, 1890, Hattiesburg, Miss. ed. Mississippi A. & M. College, 1913, E.E. b. ex. Meterman Meridian Light & Railway Company, then transferred to cadet course; two years varied employment, then transferred to New York office. w. serv. Licensed marine engineer. soc. Doherty Men's Fraternity. p. res. 1007 Main Street, Hattiesburg, Miss.

BILLING, Josiah Morris:

Secretary and treasurer, Athens Railway & Electric Company, Athens, Ga. b. June 11, 1879, Montgomery, Ala. ed. Grammar school, Montgomery, Ala.; J. M. Starke University School for three years; Alabama Military Institute of Tuskegee, Ala. b. ex. After college took a position as collector's clerk with banking house for two years; then went with Mutual Life Insurance Company of Montgomery for State of Alabama; then transferred to New Mexico to work for same company; after several years' service with the above company, returned to Alabama and went to work for the Montgomery Light & Water Power Company, starting in as complaint clerk, filling various positions with the company, and made chief clerk fall of 1917, holding that position up to the time was transferred to the Athens Railway & Electric Company as secretary and treasurer, which position now hold. soc. Doherty Men's Fraternity. p. res. Athens, Ga.

BILLINGS, Edward J.:

Mechanical engineer, Henry L. Doherty & Company, New York City. b. October 3, 1883, Kirtland, O. ed. Graduate in mechanical engineering, Ohio State University, 1906. b. ex. Seven months in power station work,

Pittsburgh Railways Company; one year as assistant engineer on fuel testing work; U. S. Geological Survey, at Washington, D. C., Norfolk, Va., and Pittsburgh, Pa.; returned with Pittsburgh Railways Company in 1909, as assistant chief engineer of power stations; went with Arthur D. Little, Inc., Boston, Mass., in the Spring of 1911, as engineer on power plant inspection and testing work; left this position in the fall of 1912, for that of Superintendent of power for the St. Joseph Railway, Light, Heat & Power Company; in addition to the latter, was made results engineer in Western district of Henry L. Doherty & Company properties in 1914; present position since 1916. soc. Member of American Society of Mechanical Engineers; National Electric Light Association and Masonic Order; Doherty Men's Fraternity. p. res. 63 Fulton Avenue, East Orange, N. J.

BIXLER, George W.:

Complaint adjuster, Denver Gas & Electric Light Company, Denver, Colo. b. July 19, 1872, Eldorado, Ill. ed. High school education. b. ex. Teaching school, farming and railway mail service, and in 1905 entered commercial department of Denver Gas & Electric Light Company; later transferred to adjustment department. soc. Knights of Pythias; Denver Civic and Commercial Association; secretary, electrical bureau of city (Denver); Doherty Men's Fraternity. p. res. Denver, Colo.

BJERREGAARD, August Philip:

Chief refineries chemist, Empire Refineries, Inc., Tulsa, Okla. b. August 23, 1869, Denmark. ed. 1888-1891 at College of City of New York. b. ex. 1891-1893, Chemist for New River Mineral Company, Ivanhoe, Va.; 1893, Chemist for Jno. H. Prall, working on dyes; 1894-1902, Chemist for C. W. Cooper, research work on varnishes and varnish making, Brooklyn, N. Y.; 1908-1910, chemist for Emil Calman & Company, varnish and enamel makers, Long Island City, N. Y.; 1908-1910, at New Mexico College of Agriculture and Mechanical Arts as teacher and research chemist; also at class and received B.S. in 1909 and M.S. in 1910; 1910-18, chemist for Canfield Oil Company, Cleveland O.; 1918 to date, chief refineries chemist for Empire Refineries, Inc. soc. Doherty Men's Fraternity. p. res. Okmulgee, Okla.

BLUNK, Adolph:

Street railway engineer, Durham Traction Company, Durham, N. C. b. May 31, 1894, Doniphan, Neb. ed. Grammar and high school, Grand Island, Neb.; University of Nebraska, 1917, B.S. in E.E. b. ex. Three years with Union Pacific Railroad on automatic block signal and maintenance of way work; entered Doherty Training School July, 1917; with Durham Traction Company in present capacity since March 25, 1919. w. serv., U. S. Army, 2nd Lieutenant, C. A. C., 1917; 1st Lieutenant, Artillery Observer, in France with A. E. F. from September, 1918, to February, 1919. soc. American Institute of Electrical Engineering; Sigma Tau (engineering fraternity); Doherty Men's Fraternity. p. res. Durham, N. C.

BORDEN, Edmund G.:

Attorney in charge of patent department, Henry L. Doherty & Company, New York City. b. June 14, 1885, Boulder, Colo. ed. Received degree of chemical engineer at University of Colorado, 1909, and degree of Bachelor of Laws at National University, 1914. b. ex. Assistant chemist with U. S. Bureau of Mines, 1910-1911; assistant examiner in U. S. Patent Office, 1911-1914; associated with patent laws, firm of Van Everen, Fish & Hildreth, of Boston, Mass., 1914-1918; with Henry L. Doherty & Company, 1918 to date. soc. Member of American Chemical Society; Doherty Men's Fraternity. p. res. 93 Queens Road, Queens, N. Y.

BORECKY, Carl William:

Chief clerk, auditing department, Toledo Railways & Light Company, Toledo, O. b. June 13, 1887, Auburndale, Wis. ed. Finished high school, 1906; finished University of Wisconsin, 1911, electrical engineering course. b. ex. Denver Cadet School from 1911 to 1912; New York Statistical Department, 1913; Toledo Railways & Light Company, 1913-1919. soc. Toledo Commerce Club; Doherty Men's Fraternity. p. res. 203 Carlton Apartments, Toledo, O.

BRANDLI, Henry Edward:

Oil department, Crew Levick Company, Fort Worth, Tex. b. December 30, 1884, Joplin, Mo. ed. Joplin public schools. b. ex. Started in as stockkeeper of Southwest Missouri Light & Power Company, Joplin, Mo., in 1900, salary $3.50 per week; have held various positions in utility business in various cities since that time; vice-president and general manager, Meridian Light & Railway Company, Meridian, Miss. soc. President, Mississippi Section National Electric Light Association; director, Meridian Rotary Club; director, Meridian Country Club; Director, Stonewall (social) Club; vice-president Young Men's Business Club; member Masons and Elks; Doherty Men's Fraternity. p. res. Fort Worth, Tex.

BRANNAN, John:

Chief engineer, electric plants, Denver Gas & Electric Light Company, Denver, Colo. b. April 5, 1856, Mount Pleasant, Del. ed. District school; one year in preparatory school. b. ex. Raised on a farm, worked in iron works when a young man, coming to Colorado in April, 1879. Started in electric business as a lineman; have filled positions in nearly every department in electric light and power work. soc. Member of National Association of Stationary Engineers; Masonic Order; Woodmen; Doherty Men's Fraternity. p. res. 666 Elati Street, Denver, Colo.

BRIEN, Fred P.:

General manager, Rio Grande Public Service Corporation, McAllen, Tex. b. April 19, 1890, Coleman, Tex. ed. Graduate Amarillo High School, May, 1907; home study of technical books, trade publications and International Correspondence School course from time of graduation to present time. b. ex. June 1, 1906, to August 31, 1906, interior wireman's helper; September 1, 1906, to May 1, 1907, attended school and worked as a wireman's helper. September 1, 1907, with Amarillo Water, Light & Power Company, reading meters, collecting, installing meters and helping lineman; June 15, 1908, started work as lineman and later became line foreman; continued to work for this company until it was acquired by Henry L. Doherty & Company in 1912 or 1913, and continued to work for the new company, which was known as the City Light & Water Company, as line foreman; superintendent of electric distribution and general superintendent until May, 1919; transferred to McAllen as general manager of the Rio Grande Public Service Corporation. soc. Doherty Men's Fraternity. p. res. McAllen, Tex.

BROMMER, Emanuel H.:

Chief clerk, estimates and analyses, Trumbull Public Service Company, Warren, O. b. February 23, 1889, Schuylkill Haven, Pa. ed. High school and business college. b. ex. Entered employ of Doherty company at Lebanon, Pa., January 17, 1907, serving in every capacity in the office of Lebanon Gas & Fuel Company; transferred to Trumbull Public Service Company, April 22, 1918, as assistant to the secretary. soc. Mount Lebanon Lodge, No. 226, F. & A. M.; Royal Arch Chapter, No. 197; B. P. O. E. of Lebanon, No. 631; Doherty Men's Fraternity. p. res. Warren, O.

BROWN, Charles Arthur:

Master mechanic, Toledo Railways & Light Company, Toledo, O. b. March 24, 1873, Cuyahoga Falls, O. ed. High school graduate. b. ex. Year and half apprentice learning machinist trade, Akron, O.; fired locomotive on C. A. & C. R. R. until summer, 1894; worked for father in furniture store, did some experimental work for J. R. Sapp on gasoline burner and cash register. Worked in lighting plant, firing boiler, running engine, etc.; contract work, wiring buildings, 1895, A. B. & C. R. R., erecting machinery in power house, equipping cars, doing machine work; 1897, foreman shop, A. B. & C. R. R., charge maintenance to cars and power houses; 1898, master mechanic, Northern Ohio Traction & Light Company; 1901, master mechanic, Toledo Railways & Light Company. soc. Masonic Order; Doherty Men's Fraternity, p. res. 3002 Parkwood Avenue, Toledo, O.

BUCHANAN, Bennett H.:

General manager, National Petroleum Corporation and Associated Companies, Tampico, Mex. b. January 4, 1888, Marionville, Mo. ed. Graduate Springfield, Mo., high school, 1905; business correspondence course. b. ex. Since 1911, engaged in various branches of the oil business in Mexico, including practical experience in the field, scouting, land and lease work, auditing, production, development, transportation and marketing with special study Mexican law and practices. soc. Shriner, belonging to Anezeh Temple, Mexico City, and Chapapote Patrol, Tampico; Doherty Men's Fraternity. p. res. Tampico, Mexico.

BUCK, Gaylord B.:

New business manager, Durham Traction Company, Durham, N. C. b. September 30, 1893, Mt. Vernon, Ill. ed. Preliminary and high school. b. ex. 1909-1910, buying, selling and renting real estate, complete charge of Town property; 1910-1911, trouble shooter with Citizen's Gas, Electric & Heating Company, Mt. Vernon, Ill.; 1912-1913, clerical work, cashier, assistant bookkeeper, general office work, all departments, covering gas, electric, heat and water, with Citizen's Gas, Electric & Heating Company; 1913-1914, representative in new business department territory work, Citizens Gas, Electric & Heating Company; 1914, new business manager, Citizens Gas, Electric & Heating Company, Mt. Vernon, Ill.; 1914 to June, 1917, new business manager City Light & Water Company, Amarillo, Tex.; 1917 to December, 1919, new business manager Durham Traction Company, Durham, N. C. soc. Durham Rotary Club; Durham Chamber of Commerce; Durham Merchants Association; Doherty Men's Fraternity. p. res. Markham Apartments, Broadway Street, Durham, N. C.

BUMP, Milan R.:

Chief engineer, Henry L. Doherty & Company, New York City. b. March 18, 1881, Rock Falls, Wis. ed. Cadet engineer No. 1, of Doherty organization. b. ex. 1904-1906, engineer gas department, Denver Gas & Electric Company; 1906-1909, engineer, Henry L. Doherty & Company, New York City; 1909-1910, general manager, Empire District Electric Company; 1910-1915, chief engineer, Henry L. Doherty & Company, New York City; 1915-1916, vice-president Picher Lead Company, Joplin, Mo. 1916 to date, chief engineer, Henry L. Doherty & Company, New York City. soc. vice-president National Electric Light Association; member American Gas Association; American Electric Railway Association; Electrochemical Society; Society for Promotion Engineering Education; Association A. F. E. E.; Doherty Men's Fraternity. p. res. 19 Waterbury Road, Montclair, N. J.

BURCH, Ell F.:

Crew Levick Company, Philadelphia, Pa. ed., Charlotte Hall School; commercial course. ex., engaged in lumber manufacturing until 1890; engaged with the Vacuum Oil Company six years, during which time it was absorbed by The Crew Levick Co. One year and half with Crew Levick Street, one year with Champion Copper Company. Three and a half years in England with interests connected with Crew Levick Company and since 1905 with Crew Levick company with headquarters at Philadelphia. soc., Doherty Men's Fraternity. p. res., Laurel Springs, N. J.

BURGER, Edward J.:

Assistant superintendent, Lorain County Electric Company, Elyria, O. b. July 27, 1892, Las Vegas, N. M. ed. Electrical engineering, University of Missouri; cadet, Denver, 1916, La Combe plant, design, New York office; structural, alliance; assistant superintendent, Lorain. w. serv. U. S. Army Engineers' Corps. soc. Elks; Board of Commerce; Doherty Men's Fraternity. p. res. Elyria, O.

BURGER, Rudolph Eugene:

Engineer in chief engineer's office, Henry L. Doherty & Company, New York City. b. May 28, 1883, Galena, Kan. ed. Graduate St. Louis Manual Training School, 1902; graduate University Missouri, B.S. in E.E., 1907. b. ex. Junior engineer, Henry L. Doherty & Company, Denver Gas & Electric Company; Denver, Colo., 1907-1909; engineer Massillon Electric & Gas Company, Massillon, O., 1909; engineer, Empire District Electric Company, Joplin, Mo., 1909-1910; general manager, Fremont Gas & Electric Company, Fremont, Neb., 1910-1912; general manager Massillon Electric & Gas Company, 1912; general manager, Lorain County Electric Company, Elyria, O., 1912-1915; manager of Power, Light & Heat, Toledo, O., 1915-1916; president and general manager Richland Public Service Company, Mansfield, O., 1916-1919; chief engineer's office, Henry L. Doherty & Co., 1919. soc. Chief, American Protective League, authorized by Department of Justice, U. S. A., for Richland County, Ohio, 1917-1918; member National Electric Light Association; Doherty Men's Fraternity. p. res. Engineers' Club, New York City.

BURNETT, John Joseph:

Traveling auditor, Henry L. Doherty & Company, New York City. b. March 2, 1893, New York, N. Y. ed. Brooklyn Polytechnic Institute, E.E.; Pace & Pace School of Accountancy, 1916. b. ex. Assistant electrical engineer and accountant with Public Service Commission, First District, New York, 1914-1919; appraisal, valuation, testing, financial investigation and auditing work with New York Edison Company; New York Central Railroad. soc. American Institute of Electrical Engineering; Doherty Men's Fraternity. p. res. 452 Hancock Street, Brooklyn, N. Y.

BURR, Frank D.:

Power engineer, Denver Gas & Electric Light Company, Denver, Colo. b. February 28, 1872, Frederica, Del. b. ex. 1881-1889 general merchandise and post office with my father; 1889-1890, Lincoln Business College, Lincoln, Neb., accounting; 1890-1893, Nebraska Commercial Bank, Lincoln, Neb., paying teller, assistant cashier; 1893-1895, University of Nebraska, preparatory course; 1895-1897, furniture, mining, smelting, Black Hills; 1897-1902, University of Nebraska, B.S. in E.E.; 1902-1903, N. V. Improvement Company, Red Lodge, Mont., lighting city; 1903-07, Montana Power Co., construction, maintenance and operation of power houses; substations and lines, 1907-1909; Colorado Power Company, hydrographic data, construction of tunnel, power house and sub-stations; 1909-1910, The Arnold Company, irrigation engineering; 1910-1919, Denver Gas & Electric Light Company, commercial department, power engineer, industrial engineer. soc. Member A. I. E. E.; N. E. L. A.; A. F. & A. M.; R. A. M.; Denver Civic & Commercial Association; Doherty Men's Fraternity. p. res. 378 So. Corona Street, Denver, Colo.

BURTNER, James C.:

Field superintendent, Medina Gas & Fuel Company, Empire Gas & Fuel Company. b. July 5, 1870, Butler, Pa. ed. Country school education. b. ex. Followed the well-drilling business as a driller in Pennsylvania and West Virginia oil fields; sixteen years with Columbia Chemical Company; superintendent of salt wells two years; superintendent of oil and gas production for Columbia Fuel Company three years; senior member of the firm of Burtner & Morgan in contracting business of oil and gas wells; past three and one-half years with the Medina Gas & Fuel Company. soc. Doherty Men's Fraternity. p. res. Wooster, O.

BYERLY, D. E.:

General superintendent, Lincoln Gas & Electric Light Company, Lincoln, Neb. b. March 15, 1889, Albia, Ia. ed. Colorado State Agricultural College, electrical engineering. b. ex. Started with the Doherty organization as a cadet engineer in Denver in 1912. soc. Member Lincoln Commercial Club; Iowa District Gas Association; Nebraska Rep. Division Ltg. Committee; Advisory Commission, Council of National Defense; Doherty Men's Fraternity. p. res. 2720 M Street, Lincoln, Neb.

C

CALLISON, Charles C.:
